

FAC Indoor Playground Release and Waiver of Liability

I, the undersigned Parent/Guardian, freely, voluntarily, and after careful reading, and in consideration of First Alliance Church (“**FAC**”) allowing my children entrance to the play area within the Indoor Playground (the “**Playground**”) and ongoing participation in any party, program or foreseeable activity that may occur in the Playground, and other good and sufficient consideration the receipt of which is hereby acknowledged, execute this FAC Indoor Playground Release and Waiver of Liability, on the date set forth below, agreeing as follows:

- A. **License.** That FAC reserves the right to refuse entry to the Playground or terminate our visit at any time and that I will immediately vacate and cause the children under my supervision to vacate the Playground when instructed to do so by designated FAC personnel.

- B. **Assumption of Risk/Release.** I understand that my children will engage in hazardous activities that involve the inherent risk of physical injury, illness, property damage, death or health hazards including, but not limited to contagious viruses and diseases, exposure to bodily fluids and any manner of activities which are inherently hazardous if conducted on elevated or ground-level structures. I also understand that the operation and use of Playground structures and equipment, whether such structures and equipment are in a state of a good state of repair or otherwise, can cause serious injury or death. I, on behalf of myself, my executors, heirs, assigns, successors, and my children (in so far as legally permitted), hereby assume all risks associated with accessing and using the Playground and release and forever discharge First Alliance Church, its officers, directors, affiliates, employees and volunteers (collectively, the “**Releasees**”) from any and all liability for claims or damages I or my children might suffer that result from myself or my children accessing or making use of the Playground and any related claims or damages arising from the conduct of any child, parent, licensee, employee or volunteer on the premises of the Playground, even if such conduct is deemed to be negligent. I understand that FAC is not responsible for the safety or security of my personal property and hereby release the Releasees from liability for theft, damage or destruction of same.

- C. **Third Parties.** I further agree to indemnify FAC for any damages I or my children may cause a third party for any reason, including without limitation as a result of my negligence, carelessness, willful blindness or any disease or infection I may contract or transmit while using the Playground.

I have read the First Alliance Church Indoor Playground Release and Waiver of Liability and agree to its terms and conditions.
